CHAMBERS OF
SAMUEL C. COLEMAN
JUSTICE

SS. Ile de France
- August 3, 1951.

Dear Prof. Calamandrei,

We're leaving Europe; this is being written on the Ile de France, - just as she left the Havre en route to Southampton, & then to New York.

I could not leave without writing you, to tell you how much my wife and I enjoyed our stay abroad, you and your wife contributed very much to our enjoyment; you made our stay in Florence (and in Viareggio) so pleasant.

I value the fact that you invited me to lecture at the University of Florence. I think it was I who

benefitted from the experiences.

We hope you are enjoying the summer in your lovely villa, and that you are enjoying the sea, with the aid from the little, solitary bathing house that you have just on the sea. We add that we hope that we will be able to see you both, - and soon, - in the United States.

Please remember us to 'il Securo' - Prof. Firzi, and to your associates of Ponte; and above all to your wife.

Sincerely yours,
S. C. Coleman
