Borgo Albizi 14
Firenze, Italy

Dear Professor Calamandrei:

I am pleased to inform you that Professor John Clarke Adams has just sent me the last portion of the translation of your book, and I am submitting the manuscript to the University Press today.

I wonder whether you would have any objection to my changing those portions of the work which are specifically addressed to your Mexican audience. This will, I think, make the book much more readable to an American audience. Of course, suitable reference will be made at the beginning of the book to the fact that it was originally a series of lectures delivered in Mexico.

Very sincerely yours,

Bernard Schwartz
Director, Institute of Comparative Law
