Dear Professor Calamandrei:

I understand that Professor Edmond Cahn has written to you indicating that the Institute of Comparative Law of New York University is interested in publishing an English translation of your recent book, Processo e Democrazia. I am writing to you in my capacity as Director of the Institute of Comparative Law to confirm Professor Cahn's letter and to let you know that we do indeed desire to publish such a translation. The work is a significant one, and we feel that it should be made available to an English speaking audience.

Very sincerely yours,

Bernard Schwartz
