

Law School of Harvard University

Cambridge 38, Mass.

October 9, 1952

Dear Professor Calamandrei:

At the meeting at Brussels I promised to send you the name of the young lawyer from Florence who was at the Law School last year as a graduate student. His name is Sergio Neri.

I very much enjoyed talking to you in Brussels and look forward to seeing you either in Cambridge or Florence some time in the future.

Sincerely yours,

Robert R. Bowie
